A DIFFERENT VISION

Presents

peplink

**Unbreakable Cellular
Bonding**

Bonding Services will provide unbreakable & high speed internet..

Speed & Reliability Over Any Connection

Install MAX routers on your buses and offer free Wi-Fi. Offer Social Wi-Fi to gain customer insights or connect to an ad server for new revenue.

Bus Stop Connectivity

Use MAX routers to add more value to your bus stops. Display information on when the next bus will arrive.

Your passengers will not experience any break..

Satisfied Customers

ACO Solutions

"The Internet access system installed in our fleet is positively evaluated by our passengers and will surely provide additional motivation to use public transportation."

Dariusz Ciszewski, CEO of KPKM

"Having tested devices from 3 different manufacturers for 5 months, it was clear why Peplink came out on top."

Jaroslav Nowicki, CEO, ACO Solutions
