Subject: Authorised Simplex Distributor
Validity: October 1st 2019 until September 30th 2020

To whom it may concern

Tyco Fire Protection Products Middle East sell product through an approved and trained Distributor network. We do not sell product directly to end users neither do we provide product to untrained and non-approved distributors.

We can confirm that the following Company is an authorised distributor of Simplex. They are trained to provide design, supply, install, test, commission, and maintenance services of Simplex Products and Systems Within Egypt.

ASCO
Almadina Towers Tower A
Almihwar Elmarky
6th of Octber City
Egypt

All Simplex manufactured products are designed in house by our own research and development teams based in the USA and go through high level testing and quality assurance processes before being expedited from our global distribution facility in Atlanta, USA. Please be Advised That SIMPLEX detection products, are manufactured within the USA, MEXICO, & the Czech Republic.

Tyco manufacturing facilities are certified to the latest ISO standards and our products are manufactured and tested to UL/FM standards as detailed in our product datasheets. All Simplex products have firmly affixed UL approved labels containing the Country of Origin and product identification numbers.

Should you have any questions please contact the undersigned.

Sincerely yours,

Courtney Harte
