Our Culture

BUSINESS UNITS

SABA Integration has two units serving
several markets and industries.

SABA®
Enterprise technologies
& Solutions

SABA®
Small & Medium
Business Solutions

Enterprise unit is serving large
corporates that need scalable and
reliable solutions.

SMB Unit provides products with
high quality with competitive price
for small & medium businesses.

WHY SABA INTEGRATION

At SABA, you will guarantee understanding your requirements perfectly based on our experience, a trained team to design & implement, resliance and speed of response, and highly efficient technical support.

Support

We invest in our team to get certified and be capable to support our clients perfectly.

PROUD

SABA is first Aruba Managed Service Provider in Egypt. That authorizes us to be one stop shop for our clients and their networking needs.

Know More

All projects that finalized by SABA are covered by SABA Angel program even if the customer took support from the vendor.

Subscribe

HPE Partner Branded Support enables SABA to support customers who have purchased the partners' own branded support services.
